Career Objective

Highly motivated and detail-oriented **Software Developer** with a strong foundation in **programming, system design**, and **mobile/web application development**, complemented by a growing interest in **project management**. I am eager to contribute to a forward-thinking software company where I can leverage my technical skills, problem-solving abilities, and collaborative mindset to build scalable, efficient solutions and support the successful execution of projects from planning to deployment. Passionate about continuous learning and driving innovation in fast-paced development environments.

Education

Degree	Major	Institution	Result	Year
B.Sc. in Computer Science & Engineering	**CSE**	**Institute of Science & Technology (Affiliated with National University)**	**CGPA: 3.19**	**2022**
Higher Secondary Certificate (HSC)	**Science**	**BCIC College**	**GPA: 4.92**	**2015**
Secondary School Certificate (SSC)	**Science**	**BCIC School & College**	**GPA: 4.88**	**2013**

Skills

- Programming Languages: C, C++, Python, Dart
- Mobile Development: Flutter (cross-platform app development)
- Web Technologies: Basic HTML, CSS
- Version Control: Git, GitHub

Training & Experience

Junior Flutter Developer — Logic & Pixel Technologies (Ongoing)

- Building cross-platform mobile apps using Flutter
- Collaborating with the QA and design teams to deliver a consistent and scalable system and app

Internship: Flutter & Project Management— Logic & Pixel Technologies

- Completed internship focused on Flutter development and software QA
- Gained practical exposure to testing, debugging, and agile development

Flutter Development Course — LEAD Academy

- Hands-on training in Dart and Flutter
- Built multiple app prototypes during the course

Strengths

- Strong problem-solving and analytical abilities
- Fast learner and highly adaptable
- Passionate about mobile technology and software quality
- Effective team player with a growth mindset

Languages

- Bangla (Native)
- English (Proficient)
